Description:

Step away from the computers; shut off the cell phones and take a deep breath of fresh air at West Crooked Lake. Make memories with family and friends in one of five awesome lakeside cabins that are all a stone's throw from the sandy beach along the picturesque lake with a majestic, north-woods aura and secret island. AI couldn't conjure up a better scene than this. A beautiful log lodge and premiere log cabin #2 are highlights, along with kayaking, canoeing and plenty of space to play catch. A recycling area, trailer parking, storage, laundry house and fish cleaning shack complete the whole experience.
