Description:

I'm pleased to present an excellent business opportunity: the Menahga Hardware Store, offered at \$200,000. This is a complete turnkey operation, established and successfully run by the same owner for over 40 years. You'll also acquire all fixtures, a fully stocked inventory, established supplier contacts, and a great team of staff who are keen to stay on. With a paved parking lot, this business is ready for a seamless transition. The owner has just passed away, and his family would like to see his dream continue, they are also selling a second hardware store in Sebeka for \$250,000. The store's manager is available to provide advice and is willing to stay on to run the store for you, if purchased with the Sebeka store. This is a fantastic opportunity to step into a fully established business with a strong foundation.
